# Registration on GIMME.

1\* As a parent, you do not have to take any action in advance. The school ensures that you (as a follower) receive an invitation by email.

2\* Open the message and click on  
“verify your account”.

3\* Then complete the requested information

For “Your role within GIMME” you can note for instance ‘mother of ...’.  
**Preferrably add the first letter of your surname to the names of all your children: e.g. mother of Jan and Mieke M.**

Subsequently choose a password. The password chosen is strictly personal and cannot be read by the school, neither by Gimme.  
Make sure that you note the password somewhere.

Finally click on the word “**save**”.
